CHAIRMAN'S VIEWS

Introducing the new AFC Mangotsfield Rocks Matchday Programme

MATCHDAY 2

Welcome to the Matchday Programme
for AFC Mangotsfield Rocks

Welcome to AFC Mangotsfield Rocks and to the start of what I believe will be an exciting new chapter in our club's history.

Having been involved with the former club for the past 37 years, leaving our home after 88 proud years was never going to be easy. Like many of you, I have countless memories of players, volunteers, supporters and special occasions that made our club what it was. Those memories will always remain a huge part of who we are.

However, football is about looking forward as well as celebrating the past. When AFC Mangotsfield invited us to join forces, we saw a fantastic opportunity to secure a bright future for everyone connected with the club. We are incredibly grateful for the warm welcome we have received and are proud to begin this new journey together at this excellent stadium under the banner of AFC Mangotsfield Rocks.

This merger is about more than a new name and a new badge. It is about bringing together two proud football clubs, creating opportunities for our First Team, Reserve Team, A Team and future generations of players, while building a club that our community can be proud to support.

I would like to thank everyone who has helped make this happen—our volunteers, committee members, coaches, players, sponsors and supporters. Your loyalty and hard work have made this new beginning possible.

I hope you enjoy today's game and, most importantly, enjoy being part of this exciting new era for AFC Mangotsfield Rocks.

LEAGUE FOCUS

The Latest news from around the Gloucestershire County Football League

OPENING DAY ROUND UP

The league got underway last Saturday, Quedgeley Wanderers and Longlevens Reserves ended in a 2-2 draw at Waterwells, showcasing an engaging match where both teams crafted numerous opportunities. QW took an early lead in the 5th minute with Harry Furniss' assist to Riley Stokes, who finished skillfully over keeper Jack Sergeant. Longlevens quickly bounced back, equalizing in the 14th minute through Brad Martin after a chaotic sequence in the box. Just a minute later, they capitalized on a midfield turnover, with Fin Rankin slotting the ball past Steve Sparrow for a 2-1 lead. Quedgeley responded well, showcasing slick attacking play but couldn't convert as Longlevens' defense held strong. Just before halftime, Henry Miles dribbled through the defense and equalized, bringing the score to 2-2. The second half continued to see both sides push for the win, but excellent defending and goalkeeping from both teams ensured the match finished level.

At Elm Park, Filton Athletic experienced a rare home defeat against League newcomers University of Bristol, losing 2-1. Filton dominated possession but initially fell behind due to a mistake from keeper Ash Eyles, allowing Miles Whilby to score. Filton equalized in the 22nd minute through Chris Hillyer's header off a corner but failed to convert further chances, with Matt Hoare notably missing a one-on-one. As the game progressed and became scrappy, University of Bristol scored the winner in the final five minutes through Callum Goon on a breakaway.

AFC Mangotsfield Rocks faced Bishops Cleeve Development at Cossham Street and lost 2-0 after a competitive match. Cleeve took the lead early on through a defensive error leading to Monty New's goal. Despite this, Rocks grew into the game, creating opportunities but unable to score. A second goal from Harry Davis in the 57th minute compounded their frustrations. Rocks fought hard but their efforts fell short despite strong performances from several players.

Frampton United's opening match of the season against Wick ended in a 1-1 draw. Wick started stronger and took an early lead via a header from Ellis Clarke. They continued to threaten, but Frampton rallied as the match progressed. In stoppage time, Kris Bulley equalized for Frampton, ensuring they salvaged a point despite late pressure from Wick.

Stoke Gifford SGS United's debut match concluded in a 0-0 stalemate against Chalford. Both teams struggled to create clear chances, with the best opportunities falling to SGS's Tom Manley, who came close on several occasions, including a shot that hit the crossbar. Chalford missed a penalty, unable to capitalize on opportunities, resulting in a tense goalless draw.

Totterdown United hosted Henbury & Rockleaze, experiencing a 1-0 loss despite dominating possession. H&R scored in the 55th minute after a defensive mishap from Totterdown. Despite numerous attempts, especially from distance, Totterdown couldn't find an equalizer, leading to disappointment after high expectations pre-match.

Tytherington Rocks FC

A Proud History

Tytherington Football Club was formed in 1896 by local Headmaster, Mr Emanuel, and others including the Rev John Bingley. Rev. Bingley stipulated that, to gain his support, the club should play in amber and black, his old college colours at Brasenose, in Oxford.

The club played in the Wotton-under-Edge League and travelled to away matches by waggonette, a four-wheeled horse drawn cart, with seats along both sides. The club played at many different grounds in the early days, including Mill-Leaze Fields behind the village shop. They eventually found a “permanent” home at the Hardwicke Playing Fields. The club used the Swan Inn as their changing rooms until a new pavilion was erected by the Parish Council, on the playing fields in 1938.

In the 1920s the club was suspended by the Gloucestershire Football Association for non-payment of a fine. The fine followed a referee being jostled into an adjoining brook after what the home side felt were some dubious decisions! No pay - no play, so Tytherington disbanded until 1932 when Tytherington Rocks FC was formed, joining the Bristol & Suburban League. War disrupted the local leagues and Rocks re-joined Division 1 in 1947. The same year a youth team called the Pebbles was formed and played in the Gloucestershire Junior Boys' League.

The 1960s were spent between Division 3 and Division 5. Facilities were upgraded in 1979-80, with new showers and toilet block together with electricity! The Reserves reformed in Division 7 and the first team reached Division 1 for the 1987-88 season. 1987-88 saw the formation of the third team joining Division 7 and at the same time Streamside Juniors were adopted as Tytherington Rocks Juniors. A floodlit training pitch was opened in 1988. Rocks entered Premier Division 2 and by 1993 arrived in Premier Division 1. Ground improvements continued with dugouts and perimeter fencing. As Champions of the Bristol & Suburban Premier League in 1997, it was shock and disappointment when an application to the Gloucestershire County League was rejected. Following rejection, a new bar, separate changing facilities, referees room and a spectator stand raised the profile of the club and, in 1998, the County League application was successful. The team survived a difficult first season but, during

the next four years, enjoyed top half finishes and were GFA Challenge Trophy Finalists, League Cup Finalists and, in 2004, were County League Runners-up.

Tytherington Rocks FC

A Proud History (continued)

Hellenic League football and Hellenic League status Division 1 [West] arrived in 2004-05. Season 2011-12 was to prove to be the first of three outstanding years for Tytherington Rocks. The 1st team finished 18 points clear to win the UHlsport Hellenic League Division 1 [West] title, followed by a 3rd place and then champions again in 2014, this time by 5 points. Following this success, a transfer request to move to the Toolstation Western Premier League was rejected by the FA. This refusal had a devastating effect on the club with players and .team management of both 1st team and Reserve teams leaving in their numbers.

History will record that several managers and committee members worked tirelessly to ensure the survival of the club during the following four seasons.

The 2018/2019 season ended with all three teams (U18, Reserves and 1st team) all completing their programmes, although they all finished in the penultimate positions in their respective League divisions. Between August 2019 and now, Rocks have experienced major changes both on and off the field including the seasons destroyed by Covid-19.

Reserve sides have folded mid-season, an U18 team had run its course and a Ladies team arrived and left. Numerous committee, management, and playing staff departures and arrivals took place during the two seasons destroyed by the Coronavirus.

One welcome achievement did however materialise. Rocks won the Beaufort Cup, an end of season competition run by the Bristol Premier Sunday League.

In recent years, the club joined the Toolstation Western League, achieving respectable finishes, including 13th place in the 2021/22 season. After an Un-consulted transfer to the Hellenic League, the Rocks spent several seasons in mid-table, regularly traveling for away fixtures across Worcestershire, Warwickshire, Shropshire, and Oxfordshire. However, due to restrictions imposed by the landlords, the club were unable to carry out necessary stadium improvements to remain at step six. As a result, the Rocks chose to compete in the Gloucestershire County League for the 2025/26 season.

A resolution was not found with the Landlords, which has resulted in a merger with Mangotsfield AFC and the club now play at Cossham Street, Mangotsfield under the new name of AFC Mangotsfield Rocks. A new era for the club starts this season.

Introducing Filton Athletic

Short History

Filton Athletic FC are a long standing amateur football club based in the North of Bristol. We started out as St. Andrews Meth back in the 1960's, then changed to Filton Athletic FC in 1986.

We are currently made up of two adult football teams who both play regularly on a Saturday afternoon.

Our first team compete in the Gloucestershire County Football League, having been promoted as Champions from the Bristol & Suburban Premier Division in 2023-24.

In 2023 we established the Filton Athletic FC Youth Team, which consists of U8, U9, U10, U11 and a Youth Development Squad.

The club is run by an enthusiastic and committed committee who have the drive and ambition to move the club forward both on and off the field and welcome anyone who wishes to get involved.

The club is also fortunate to be supported by some of the best fans in the world, the self-proclaimed Filton Ultras!

While the first team previously played home matches at Pen Park Sports Ground, extensive development work began on their historic base. Following two years of renovation work ending in 2023 and additional facility upgrades in summer 2025, all branches of the club—first team, reserves, and youth—fully consolidated their home games at BBS Park North (Elm Park).

Key Milestones & Progression

- **The Breakout Year (2023–24):** After operating as a mid-table side in the **Bristol & Suburban Association Football League**, the club put together an exceptional run to claim the Premier Division title, punching their ticket up to the national league system pyramid.
- **The County League Transition (2024–25):** In their first season at Step 7 (Level 11) of the English football pyramid, Filton Athletic proved they belonged by losing only three matches all season, securing a comfortable top-six finish.
- **Title Contenders (2025–26):** Building heavily on their introductory season, the First Team launched a massive title charge, finishing as high-flying runners-up in the Gloucestershire County League just behind league champions Sharpness.

Upgrades & FA Compliance

- Following Filton Athletic's competitive climb up the non-league pyramid, the current ground layout is subject to modernization plans to keep up with higher league regulations. The club and council held a public meeting in July 2026 to map out a proposed pitch upgrade. This development initiative will introduce enhanced facility standards required by the Football Association (FA) as the team targets future league promotions.

Filton Athletic FC

We are currently made up of two adult football teams who both play regularly on a Saturday afternoon.

Our first team compete in the Marcliff Gloucestershire County Football League, having been promoted as Champions from the Bristol & Suburban Premier Division in 2023-24. They play their home games at Pen Park Sports Ground.

Our Reserve team compete in the Bristol & Suburban Senior Division, and they play their home games at Elm Park, having returned in 2023 after 2 years of development work at the ground.

In 2023 we established the Filton Athletic FC Youth Team, which consists of U7, U8, U9, U10, U11 and YDS.

Player Profiles

Tom Bradley – Goalkeeper

Tower joined us last season after two extremely successful seasons with Avonmouth, bringing experience at both Gloucester County League and Weston League levels. A huge presence on and off the pitch, match winner but a pathetic drinker.

Jack Cole (Captain) – Defender

Rolls Royce. Quick, aggressive, physical, fit, long range passing and a leader. Transitioned from Midfield last season and has been a revelation. Loves a moan.

Jack Willmor (vice-captain) - Defender

Cafu of the County league. Defending 1 on 1, can't remember any winger going past him. Loves an overlap but wingers tend to look the other way because of his crossing. Close to GOTS last year with a wordie volley.

Chris Hillyer - Defender

New bloke not so new. The modern day centre half. Great on the ball, quick, strong, technically brilliant, free kick specialist and missis is fit.

Joe Mitchell - Defender

Mr consistent. Technically gifted with both feet. Can defend and attack. Brilliant attitude but unfortunately supports Villa.

Kieran Daniels - Defender/Midfielder

Another leftie. Football IQ outstanding, can play LB, CB, CM, LW. Strong, quick and outstanding delivery out wide. Now loved up with new bird.

Tom Fry - Defender

Should be playing 2 leagues higher but unfortunately for his sins he works in the public sector. Played for Mangotsfield with the gaffer many years ago, outstanding attitude, can do pretty much anything on the football pitch. Clas act.

Dan Matthews - Defender/Midfielder

Every opponents nightmare. Will not stop running, tough, strong, technically excellent. Can play all positions and loves a 50/50. Live wire on the pitch and just as mad off it.

Callum Mitchell - Midfielder

Dynamic Midfield presence. Ball winner, loves a tackle and never backs down when it gets tough. Loves popping up with important goals, but unfortunately supports Villa like his brother.

Fraser Venables - Midfielder

Left foot wand and his right foot is just as good. Creativity, vision and awareness off the charts just unfortunate he can't replicate on a night out. Can play in the 10 or either wing. Loves as assist as much as a goal.

Charlie Peacock - Midfielder

Coming from the reserves last year, Char has been a breath of fresh air. Seriously talented Midfielder who can play anywhere. Not a great roomie on tour though.

Liam Dorman - Midfielder

The Rat. Will not let opponents breath. Committed, explosive and thrives in a 50/50. Technically very good and loves a wordie. Important leader on and off the pitch.

Dylan Quick - Midfielder

New signing from our friends at DRG. Fits in perfect to the way we want to play this season, aggressive, quick, technically gifted, box to box midfielder. Pleased to get the 'banning of the three brooks on a Friday night' signed into the contract.

Matt Tovey – Midfield

New summer signing. Matt is recovering from a long knee injury. When fit 'Tovey' will be a serious player in the league. Both footed, amazing in the air and loves a challenge. Baller and the longest in the showers.

Yusuf Abdulrahman - Midfielder

Box to box midfielder. Doesn't stop running from minute one, robotic like. Has all the attributes to be a top player when he manages to turn up on time.

Fabian Pereira - Forward

Skilful attacking player who can operate from both flanks. Technically very good and always makes an impact on the game.

Kieran Cooper - Forward

Big number 9. Aerial presence, back to goal, work rate, loves pinning defenders and is any opponents nightmare. Can be as loud on the pitch as off it. Great character to have in any team.

Said Hassan - Forward

Quick, skilful, agile and loves taking on defenders. Can play down both wings and as an attacking full back. Guaranteed at least 20 nutmegs this season.

Dan Payne – Forward

Another Summer Signing and another left footed wizard. 'Payner' has played leagues above in the past but unfortunately suffered a bad knee injury. Now fit and ready to go. Unfortunately can just about hack 4 Stella's.

Trey Merrett - Forward

Goals, Goals, Goals. Direct, blistering pace and can shoot off his left and right. Can play down either wing or as a striker and will score. The best player to ever come out of Lawrence Weston.

Les James League Cup

The Les James League Cup is a localized knock-out competition which is run by the Gloucestershire County Football League

The tournament is named after L.V. James, who served as the league's first Hon. Secretary when it was formed in 1968.
