

MATCHDAY

HENBURY & ROCKLEAZE

Saturday 9th August 2025

Kick-off 3:00pm

BBS Park North, Filton Leisure Centre, Elm Park, Filton, Bristol, BS34 7PS

Marcliff Gloucestershire County Football League

I would like to wish everyone a very warm welcome back. I write this from a sun lounger in Spain and whilst I am enjoying the sun, beer and relaxation after a summer of little if any decent football on TV it is great to be on the verge of watching the best kind of football, grassroots. As a club and personally as a fan the new season could not come soon enough as we hope to build on a fantastic first season in the league last year.

As you know we have a new manager this season but before I talk about that I must mention the outgoing manager Ginge and his team, Pistol, Deano and Sladey. During their tenure we have gone from being a Suburban Premier side to a County League side that finished in a decent position in our first County League season and we have a great chance of becoming an established side in the league as well as pushing on further up the pyramid. This is testament to the fantastic job they did whilst they were in charge and the whole club thanks them for everything that they have done. They are all still about and will be supporting the club from the sidelines and in other ways so feel free to buy them a beer when you see them to say thanks.

Now onto our new manager Kyle. I was delighted to be able to offer him this role as his first managerial position. He is a Filton lad and as a club we would always prefer to have someone who is affiliated with the club in charge. It is a special club, and I always say that you may go play elsewhere but once you are Filton you are always Filton and Kyle is the epitome of this. He has great experience from playing at higher levels and is well known in the grassroots game which has helped him bring in some fantastic additions to the squad.

He is a real asset to the club both in the dugout and in the background with the committee. He brings in Josh as his assistant who is another person previously affiliated with the club and will be vital for Kyle in all the games but especially those games where Kyle decides to put his boots back on. He knows he can trust Josh to make the correct decisions so he can concentrate on what he needs to do on the field which is always difficult as a player manager. Sladey has stayed on to help Kyle which brings with it continuity and a calm older head. Well, an older head anyway!! We are all looking forward to another successful period for the club going forward which starts this Saturday.

Lastly it is great to be back at Elm Park our spiritual home. A lot of hard work has gone into us moving back here so well done to everyone involved and thanks to the council for making it possible. We also relied on sponsors to help raise the funds to make this possible so thanks to all of you who have contributed so far especially BBS Plumbing as without them we would not have got there. We are very proud to call the stadium BBS North @ Elm Park for the next three seasons. There are still some slots available on the cards for the pitch, dugouts and barriers so please help us fill these in.

I hope to see you at the feast after the game for some excellent food and a few beers.

Ollie Keeble - Chairman - Filton Athletic FC

Our History

Filton Athletic FC are a long standing amateur football club based in the North of Bristol. We started out as St. Andrews Meth back in the 1960's, then changed to Filton Athletic FC in 1986.

We are currently made up of two adult football teams who both play regularly on a Saturday afternoon.

Our first team compete in the Marcliff Gloucestershire County Football League, having been promoted as Champions from the Bristol & Suburban Premier Division in 2023-24.

Our Reserve team compete in the Bristol & Suburban Senior Division.

Following some upgrades in the summer of 2025, both sides now play their matches at BBS Park North, Filton Leisure Centre, Elm Park, Filton.

In 2023 we established the Filton Athletic FC Youth Team, which consists of U8, U9, U10, U11, U12 and YDS.

The club is run by an enthusiastic and committed committee who have the drive and ambition to move the club forward both on and off the field and welcome anyone who wishes to get involved.

The club is also fortunate to be supported by some of the best fans in the world, the self proclaimed Filton Ultras!

WARNING

THE DANGERS OF PYROTECHNICS AT FOOTBALL MATCHES

The potential injuries sustained as a result of someone using a pyrotechnic include:

- Serious injuries, such as loss of limb or fingers
- Severe burns, due to temperatures of up to 2,000°C
 - Breathing problems, due to smoke inhalation
- Loss of hearing or sight, because of the explosive power

Action will be taken by the GFA if any club is reported to them by the Referee.

You have been warned.

From the dugout

A few words from the manager...

Filton Athletic vs Henbury & Rockleaze (9th August 2025)

Firstly, good luck to the other 16 sides in this year's county league. In my opinion, the league will be a lot stronger than last year with the teams coming up and going down. It will be very competitive which we are looking forward to the challenge.

Secondly, I would like to thank Ollie and the committee for giving me the opportunity to manage Filton in my first managerial position alongside Josh as my assistant and Sladey. We were all disappointed when Ginge decided to step down given the magnificent job he has done over the last 4 years alongside Pete, Sladey and Deano. Although not managing, Ginge is still a big part of the clubs future which is great.

The main focus when coming in was to keep the players we had. There have been 6 or 7 who had approaches from the league above but decided to stay. Not one player has left which shows the togetherness we have in the squad on and off the pitch. My target was to bring 2-3 in to give us a bit more quality which I have done. Also, we are back home at Elm Park which everyone is looking forward to.

Henbury & Rockleaze, as tough as you can get in the first game. They started the season off poorly last year but finished strong. If it wasn't for the slow start, they would have been challenging at the top. I expect them to be in the top 2 or 3 this season. We have to be on the top of our game to get anything from the game, it's a shame we have six or seven out but it's expected in August.

Looking forward to the season ahead.

Kyle Thomas - Filton Athletic First Team Manager

Our visitors

Henbury & Rockleaze Football Club - History

Henbury and Rockleaze Football Club were formed on the 1st of June 2024 following the merger of Henbury FC and Rockleaze Rangers FC adult sections. The club will play its matches and be based at Arnall Drive in Henbury. Both clubs have a rich history which we will strive to bring together in addition to creating our own.

Henbury FC

Henbury Old Boys was formed in 1962 playing in Division 4 of The Bristol Downs Association Football League. Founder members included Chairman Bill Williams, Secretary Ron Excell, Treasurer Ron Crocombe and committee members Cliff Griffin, Jack Fisk, Fred Jones and Arnold Rogers, all of whom served the club for a great number of years.

While the first team remained playing on the Downs, the second and third teams, along with their youth teams played on pitches at Arnall Drive Playing Fields. Players changed in the scout's hut in Satchfield Crescent and walked the two hundred meters to the pitch.

The committee decided to leave The Downs League after four seasons and joined The Bristol & District League. The dressing rooms were positioned in the Blaise Castle estate across the road to Arnall Drive Playing Fields. The single-story changing rooms was an old R.A.F. concrete hut. All the work to erect this building and associated works was carried out by players and volunteers connected to the club.

The first team finished in fourth position and the following season in 1968-69 played in Division 2 of the Premier Combination until the end of season 1985-86. After several failed attempts to progress through the Football League Pyramid System to join the Gloucestershire County League, the club realised this was only possible with a new clubhouse and changing rooms alongside their pitch.

This overcame the problem of crossing the road and the new changing rooms meeting the approval of the management committee. The club was voted into the County League in 1987 and only one club Patchway Town has since played more seasons in the County League. That being one more season than ourselves.

Of the many seasons in the Gloucestershire County League, the most noticeable came in the season of 1994-1995 in which we claimed our one and only Gloucestershire County League title under the captaincy of Bob Pritchard who later became club chairman.

Henbury then endured a long 15-year drought in which there was minimal success, until the season of 2010-2011 becoming the winners of the Les James league Cup. Since the title winning season in 1994-1995 Henbury claimed the runners up spot on four occasions, these coming in the season of 1997/98, 2002/03, 2011-2012 and 2015-2016 (also in 1988/89).

This ambition took a backward step after a thirty-five-year spell playing in the Gloucester County League, when the club was unable to avoid relegation at the end of the 2022-23 season.

Rockleaze Rangers FC

Rockleaze Rangers Football Club was established in 1976 as a Sunday team under the name of Nat West Court FC. After a couple of seasons, the club expanded into Saturday football and joined the Bristol and Suburban League in 1979. Thereafter followed a number of years during which the club progressed through the divisions, with the highlight being GFA Minor Cup winners in 1986. The club were now known as Avonside Court, and this progression culminated in being crowned Premier 2 Division Champions in 1989.

Our visitors

After finishing the following season in 4th place in Prem 1, the early 90's marked a transitional period for the club, establishing closer ties with Bristol and West and, as by then the club had moved grounds to play at the Bristol and West Sports Club then on the Portway. Under the management of Geoff Bryant and latterly Paul Smith, the club attracted a core of young players. During this period the club enjoyed its most consistent performances, finishing in the top 6 in 4 consecutive seasons and narrowly missing out on the Prem 1 Championship in 1999 season, having to settle for the Runners-up spot.

Another difficult period for the Club followed, with the club now known as B&W Avonside having to find a new home at the University Ground at Coombe Dingle, following the closure of the Bristol and West Sports Ground, and losing a number of key players to Gloucestershire and Somerset County League Clubs. This resulted in relegation back to Suburban Prem 2 in 2004, however, this was a turning point in the club's fortunes, with the appointment of Andrew Myland as 1st Team Manager, many of the clubs past players returned coupled with the recruitment of a number of new faces and the team bounced back to Prem 1 in 2005 as Prem 2 runners up.

The appointment of Carmelo Micciche as Manager saw season 2007-08 start with much optimism. This optimism was not unfounded, and the 1st team ended as GFA Senior Amateur Cup Champions, runners up in the Suburban League Premier 1 and promotion to the Gloucestershire County League.

During the summer of 2009 B&W Avonside amalgamated with a junior football club known as Rockleaze Rangers who were also based at the University Ground in Coombe Dingle to form a new Club known as Rockleaze Avonside FC. At the end of the 2009-10 season the decision was made to augment the merger fully by playing under a single banner, that being Rockleaze Rangers F.C. Since 2009 the senior section of the club expanded from 2 Saturday sides to 5 Saturday sides, 2 Sunday sides and two Under 18's.

At the end of 2012/13 Carmelo Micciche stepped down after 6 successful seasons in charge of the 1st team, Dave Johnson was appointed however, things didn't work out for Johnson who was replaced by player Neil Simons in March with the team sitting second from bottom, however, the team ultimately finished ninth and reached the Les James League Cup where they lost to an exceptional Longlevens side.

The 2015/16 season saw ex Almondsbury UWE duo Rich Thomas and Lee Roberts given the responsibility of making the club a regular top 6 Gloucestershire County league side. The team achieved the clubs' initial goals by finishing 5th in the league and were once again runners up in the Les James League Cup and for the 4th time in 5 seasons won the Respect Fair Play League Award. A 6th place in 16/17 saw the club become a regular top 6 side. The Reserve team were also promoted to Prem 1 as Runners up in both the league and GFA Senior Amateur Cup. After 3 seasons in charge Rich and Lee stood down at the end of the 2017/18 season.

The 2018-19 season saw the club finally move into our new ground at the University of the West of England (UWE) to play at their Hillside Gardens facility. At the start of the 2018-19 season our successful Reserve team management duo of Peter Bradbury and Lee Douglas were appointed and despite two interrupted seasons due to the global pandemic, the duo orchestrated three top 4 finishes in their time in charge.

Our visitors

HENBURY & ROCKLEAZE FOOTBALL CLUB **1ST TEAM PLAYER PROFILES**

HARRY TRETT – GOALKEEPER

Former Newport County stopper, Trett brings a commanding presence to the side, blending pin-point distribution with excellent shot-stopping. Following an injury to long standing 'keeper Jordan Dunning midway through the 2024/25, Trett stepped up and put in a number of outstanding performances to cement his place in the side.

NICK JONES – FULL BACK

Former Cribbs winger, Nick brings pace, experience and a winning mentality to the side. Nick loves to get forwards with his mazy runs, but is equally adept defensively, making him a real asset on the left.

TASMAN ROOK – FULL BACK

Tas joined the club in the second half of the 2022/23 season from Chippenham Town. A very gifted player, Tas reads the game situation very well and has proven to be adaptable in a number of shapes, leading to his being last season's Manager's Player of the Season.

HARRY HOARE – FULL BACK

After a season out travelling, Harry returns to the club and has made an immediate impact with a number of strong performances at full back over preseason. A tenacious and versatile player, Harry can also slot into central midfield.

BLERAN THAQI – CENTRE BACK

After a breakthrough season, former Henbury U18s player Bleran continues to put in mature performances at centre back. Strong both defensively and in possession, Bleran has excellent potential and will be one to watch for the future. Bleran was awarded the 2024/25 Young Player of the Season.

JORDAN BUCKETT (CAPTAIN) – CENTRE BACK

A natural leader on and off the pitch, Jordan has matured well into the captaincy, leading by example through consistently putting in strong performances.

GEORGE JAMES – CENTRE BACK

George alternates between centre back and centre forward, both positions he has become adept at. Despite a questionable decision to don white boots this season, George has good feet, excellent vision and passing range, making him a real asset to the side.

CAMERON TARR – CENTRE BACK

A strong, physical presence at back, Cam is excellent in the air and a handful for opposition forwards. Cam has developed a good partnership with Buckett at the back which contributed to our second half of the season revival last season.

MARCUS WILLIAMS (VICE CAPTAIN) – MIDFIELD

Club stalwart, after starting at Under 6's with Rockleaze Marcus is equally adept at fullback or midfield. A tenacious player, Marcus is a nightmare to play against, winning a lot of ball, and whose low centre of gravity makes him very hard to dispossess. Known to shoot (and occasionally score) from corners.

Our visitors

DREW SAWDON – MIDFIELD

Hard hitting midfielder hailing from the North, 2024-25 Player's Player of the Season, Drew enjoyed another outstanding season in the 1sts, ending up as joint top goal scorer (11) as well as being a dominating presence in the midfield.

SAM BAILEY – MIDFIELD

Silent assassin, bandit-Bailey is a classy midfielder who both links up play and scores goals through his late runs into the box.

MATT HARRISON – MIDFIELD

Matt is a classy player (like a fine wine) who brings both calmness and an engine to the midfield. Great positional awareness means that Matt rarely needs to sprint, which is just as well...

JACK HOSKINS – MIDFIELD

Hoskins is a versatile midfielder who stepped up from the Reserves last season, putting in a number of key performances, who has continued to impress over preseason.

TOMMY COLLINS – MIDFIELD

Tommy rejoins the club after a year travelling. Outstanding technician, Tommy rarely misplaces a pass, and has now added physicality to his game to make an all round box to box midfielder.

SEAN HEAL – MIDFIELD

Henbury legend Sean rejoins the club after two seasons away at Sharpness. Sean brings both experience and grit to the midfield and has impressed over preseason.

CALLUM WINTER – MIDFIELD

Youngster Callum signed on loan from Shirehampton early in the 2024/25 season and made an immediate impact with a series of strong performances whilst chipping in with a number of well taken goals. An exciting prospect and one for the future.

LUCCA TOMS - MIDFIELD

Despite a string of injuries last season which limited his game time, Lucca nonetheless finished the season strongly and has worked hard over preseason.

KACPER KALKOWSKI – WINGER

Kacper is incredibly talented – a tricky winger who has great feet and an eye for goal. He has excellent set piece delivery, bagging a number of assists last season.

FRASER BUTT – WINGER

Former Gloucester City academy player, Fraser is a mercurial talent with an eye for goal, as well as being a set piece specialist. Able to play practically any position, Fraser is incredibly versatile. Not the keenest trainer, Fraser nonetheless does it where it counts on the pitch.

HARVEY MORAN – WINGER

Harvey rejoined the club from Stoke Gifford midway through the 2024/25 season. Incredibly athletic, Harvey is a nightmare for opposition defenders as he has no 'off switch' and is unlikely to give them a moment's peace.

Our visitors

TATE SHAW – WINGER

He might be built like p!@#, but Tate brings extreme pace to the side, and is an excellent finisher, as demonstrated by his crucial and well taken goals against Bromley Heath and Wick last season.

RHYS ILES – WINGER

Affectionately known as “Turbo”, Rhys might not look it, but he is rapid and has an eye for goal.

KAI ELLIOTT – WINGER

Kai is a tenacious and hard-working winger who steps up from the Reserves after a strong 2024/25 season and impressing over preseason.

DAN WEBB – FORWARD / WINGER

Tour and social secretary, Webby is also a Gloucestershire County League veteran, having terrorised opposition with his skill, movement and goals for a number of years. Looking revitalised following a move out wide, Webby has many more seasons yet to give.

JOE HODSON – FORWARD

Joe’s fitness levels have long been a club joke, and have undoubtedly held him back. But no longer. Joe has put in some serious work over preseason to get fit, and has been firing across preseason. If he can maintain these levels across the season, he will be an exciting proposition.

JAMES GOULDEN – FORWARD

Sporting a suspect tache and frosted tips, when not taking long coach trips across Portugal or losing himself in South East Asia, James is a tall and tricky forward. Backed with a great touch and good off the ball movement, James is an exciting talent and one to watch for the future.

JENSON BEARD – FORWARD

Despite missing most of the 2024/25 season through injury, Jenson has worked hard over preseason and is swiftly becoming the complete striker, bringing pace, physicality, work-rate, as well as guile.

PETER BRADBURY – MANAGER

Long serving manager, into his 15th season having managed the Club’s Reserves, A team and B team previously. Now into an 8th season with the 1st team, Bradders is looking for improvement following last season’s 9th place finish.

LEE DOUGLAS – ASSISTANT MANAGER

Long suffering assistant manager to Bradders, Lee has been signed up for another season. Lee is a generous man who is well loved and respected by everyone in the Club. Known to be quite loud, from time to time, avoid standing directly in his path.

JASON TARR – ASSISTANT MANAGER

Jason is an excellent coach, but also a calm head with a wealth of experience on matchday.

SID BASS – PHYSIO

Sid rejoins the club as Team Physio after graduating from university.

Meet our squad

TOM BRADLEY - GK

Tower joined us last season after two extremely successful seasons with Avonmouth, bringing experience at both Gloucester County League and Weston League levels. A huge presence on and off the pitch, match winner but a pathetic drinker.

CHRIS HILLYER - DEFENDER

New bloke not so new. The modern day centre half. Great on the ball, quick, strong, technically brilliant, free kick specialist and missis is fit.

JACK COLE - DEFENDER (CAPTAIN)

Rolls Royce. Quick, aggressive, physical, fit, long range passing and a leader. Transitioned from Midfield last season and has been a revelation. Loves a moan.

JACK WILLMOR (VICE-CAPTAIN) - DEF/MID

Cafu of the County league. Defending 1 on 1, can't remember any winger going past him. Loves an overlap but wingers tend to look the other way because of his crossing. Close to GOTS last year with a wordie volley.

TOM FRY - DEFENDER

Should be playing 2 leagues higher but unfortunately for his sins he works in the public sector. Played for Mangotsfield with the gaffer many years ago, outstanding attitude, can do pretty much anything on the football pitch. Class act.

JOE MITCHELL - DEF/MID

Mr consistent. Technically gifted with both feet. Can defend and attack. Brilliant attitude but unfortunately supports Villa.

Meet our squad

KIERAN DANIELS - DEF/MID

Another leftie. Football IQ outstanding, can play LB, CB, CM, LW. Strong, quick and outstanding delivery out wide. Now loved up with new bird.

DAN MATTHEWS - DEF/MID

Every opponents nightmare. Will not stop running, tough, strong, technically excellent. Can play all positions and loves a 50/50. Live wire on the pitch and just as mad off it.

CALLUM MITCHELL - MIDFIELDER

Dynamic Midfield presence. Ball winner, loves a tackle and never backs down when it gets tough. Loves popping up with important goals, but unfortunately supports Villa like his brother.

LIAM DORMAN - MIDFIELDER

The Rat. Will not let opponents breath. Committed, explosive and thrives in a 50/50. Technically very good and loves a wordie. Important leader on and off the pitch.

FRASER VENABLES - MIDFIELDER

Left foot wand and his right foot is just as good. Creativity, vision and awareness off the charts just unfortunate he can't replicate on a night out. Can play in the 10 or either wing. Loves as assist as much as a goal.

YUSUF ABDULRAHMAN - MIDFIELDER

Box to box midfielder. Doesn't stop running from minute one, robotic like. Has all the attributes to be a top player when he manages to turn up on time.

Meet our squad

CHARLIE PEACOCK - MIDFIELDER

Coming from the reserves last year, Char has been a breath of fresh air. Seriously talented Midfielder who can play anywhere. Not a great roomie on tour though.

MATT TOVEY - MIDFIELDER

New summer signing. Matt is recovering from a long knee injury. When fit 'Tovey' will be a serious player in the league. Both footed, amazing in the air and loves a challenge. Baller and the longest in the showers.

FABIAN PEREIRA - MIDFIELDER

Skilful attacking player who can operate from both flanks. Technically very good and always makes an impact on the game.

DYLAN QUICK—MIDFIELDER

New signing from our friends at DRG. Fits in perfect to the way we want to play this season, aggressive, quick, technically gifted, box to box midfielder. Pleased to get the 'banning of the three brooks on a Friday night' signed into the contract.

KYLE THOMAS (PLAYER MANAGER) - MID/FWD

Established attacking midfielder with bundles of ability. Strong on the ball and in the air and a deft touch at set pieces.

DAN PAYNE - FORWARD

Another Summer Signing and another left footed wizard. 'Payner' has played leagues above in the past but unfortunately suffered a bad knee injury. Now fit and ready to go. Unfortunately can just about hack 4 Stella's.

Meet our squad

TREY MERRETT - FORWARD

Goals, Goals, Goals. Direct, blistering pace and can shoot off his left and right. Can play down either wing or as a striker and will score. The best player to ever come out of Lawrence Weston.

SAID HASSAN - FORWARD

Quick, skilful, agile and loves taking on defenders. Can play down both wings and as an attacking full back. Guaranteed at least 20 nutmegs this season.

KIERAN COOPER - FORWARD

Big number 9. Aerial presence, back to goal, work rate, loves pinning defenders and is any opponents nightmare. Can be as loud on the pitch as off it. Great character to have in any team.
