Message from Ben:

The Ben Saunders Foundation (BSF) has been started to raise funds to support Children and Young adults with cancer within the UK.

I (the founder) Ben Saunders was diagnosed with a rare form of cancer sarcoma attached to my heart which I have been fighting since October 2019. It has spread into my lungs and I have faced many challenges along the way. These include two major open heart surgeries, 6 rounds of very intense chemotherapy's which I am now currently back on!

These are just some of the things I have experienced along my cancer journey and I am looking to help and offer whatever I can alongside my family and the foundation to offer support to young people with cancer like myself.

I have been fortunate enough throughout my journey so far to have received the support I have, whether that being mentally, physically or a short holiday with friends recently to Centreparks. I feel everyone in these circumstances deserves to be given as much support and happiness through the very difficult times they will come across.

<https://www.bensaundersfoundation.org/>

Firstly, I would like to welcome Cribbs Reserves and their supporters to BBS Park North. Hopefully, the weather is turning and getting games on becomes easier. The ground staff have done a fantastic job getting our games on and deserve lots of credit for getting games on where others in the league have been called off.

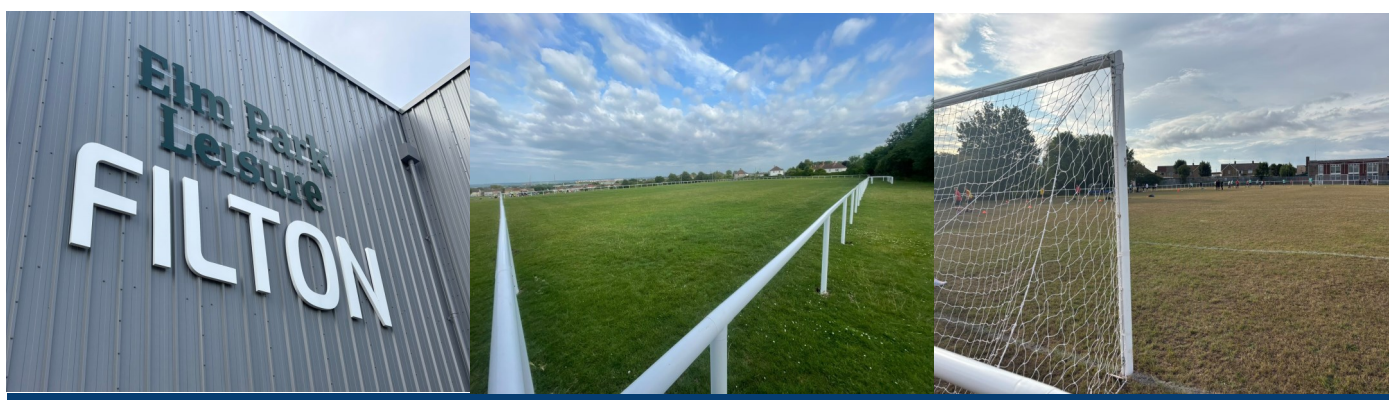

We're getting into the business end of the season now and the fixture schedule is starting to become congested, and the night games are starting so it's been good to get games on and minutes into the legs after an enforced winter break. Cribbs come into this after having played during the week and we will be their second game in a run that sees them play four games in eleven days.

Cribbs haven't had a great season so far and are fighting to retain their place in the league currently sitting just inside the relegation places. Nine points from their last four games have helped them keep pace with the teams above them but they will be hoping to keep the momentum going to give them a chance of moving out of the bottom two and up the league away from the relegation battle.

We have managed to keep up our good league form going since the break in January due to the weather and we will be hoping to put in a better performance than when we played them at theirs earlier in the season. A win will help us to keep the pressure on the top two as well as keep some distance to the chasing pack although we still have games in hand on all the sides around us. I am sure the lads will want to be as close as they can to the top teams before we start playing two games a week in April.

Regardless of the result we will have a beer after the game, and a little bit of friendly banter as well. Hopefully, we will see you in the feast.

Ollie Keeble - Chairman - Filton Athletic FC

Our Reserve team compete in the Bristol & Suburban Senior Division.

Following some upgrades in the summer of 2025, both sides now play their matches at BBS Park North, Filton Leisure Centre, Elm Park, Filton.

In 2023 we established the Filton Athletic FC Youth Team, which consists of U7, U8, U9, U10, U11, U12 and YDS.

From The Dugout

A few words from the manager...

Welcome to the management team, players, and supporters of Cribbs. We have reached the halfway point of our season, and we are at the end of February. It has been unprecedented weather this season. Hopefully, that is the end of the rain now and the rest of the season will be uninterrupted.

Coming off a hard fought 3-2 victory against bottom of the table Hanham. It was a mixed Hanham team with a couple of players from Corsham and Roman Glass which made the game a difficult one and full credit to Hanham, they showed grit and determination and were the better team for long periods in horrible conditions. Great to see Payner back from a long-term injury and grabbing the winner. We showed real character the last two games after being behind at the break to come back and win with not being at our best.

Since we drew 1-1 at Cribbs back in October, we have won every game in the league since. It was probably the most one-sided game we have been involved in this season and was disappointing to get just the one point on the day. That's football, if you don't score your chances, you could get punished, which we did. The team has evolved a lot since then and we are looking forward to the challenge against an improving Cribbs side.

We are looking forward to the game and having a few pints after.

Cribbs FC

Club History

Cribbs Football Club was founded in London in 1958 as Sun Life Assurance. The Bristol team was established in 1976 when Sun Life first relocated to Bristol. Initially, two teams were run, participating in the Bristol and Avon League, playing at Dundridge Farm. However, when the Cribbs Causeway ground was opened in 1978, the first team were promoted straight to the Avon Premier Combination League (later renamed Bristol Premier Combination) where they stayed for 20 years until they eventually won promotion to the County League in 1999–2000.

In the summer of 2011, the club changed its name from AXA to Cribbs Friends Life FC ready for the 2011–12 season. The season was Cribbs' most successful season to date as the club claimed its first Gloucestershire County League title on the way to an unprecedented League and Cup double. The team later adding the Les James League Cup to the League Championship and in the process becoming the first and only side to achieve this feat.

As a result of winning the league, the club earned promotion to the Western League Division One for the 2012–2013 subsequently changing their name to simply, Cribbs FC.

Cribbs were promoted into the Western League Premier Division for the commencement of the 2015-2016 season and obtained numerous top half finishes until at the end of the 2020–21 season the club were transferred to the Premier Division of the Hellenic League.

Under the stewardship of Richard Luffman, Cribbs in his first full season in charge, recorded a best ever Step Five position of fourth in the Hellenic League. They also were winners of the League Cup defeating Hereford Pegasus 1-0 through a George Kellow goal.

Cribbs gained Southern League status in 2023 after becoming champions of the Hellenic League, clinching promotion with a 1-0 win over Wantage Town with a match to spare.

2023/2024 was the first season in the Southern League and saw a third placed finish.

Since its inception the club has run multiple sides across the Bristol Premier Combination and Bristol & District League. The Reserve Team won the Premier Combination in 2021/2022 season and did so in numerous seasons prior. They were granted entry to the Gloucestershire County League for 2022/2023.

In their first season in the GCL they finished six points in front of Bromley Heath United to clinch the title and earn promotion to the Toolstation Western League Division One.

For the 2025/26 season the 1st Team will play in the Hellenic Premier Division, Reserves compete in the Gloucestershire County League and A Team in the Bristol Premier Combination Division 1.
