Marcliff Gloucestershire County Football League

Message from Ben:

The Ben Saunders Foundation (BSF) has been started to raise funds to support Children and Young adults with cancer within the UK.

I (the founder) Ben Saunders was diagnosed with a rare form of cancer sarcoma attached to my heart which I have been fighting since October 2019. It has spread into my lungs and I have faced many challenges along the way. These include two major open heart surgeries, 6 rounds of very intense chemotherapy's which I am now currently back on!

These are just some of the things I have experienced along my cancer journey and I am looking to help and offer whatever I can alongside my family and the foundation to offer support to young people with cancer like myself.

I have been fortunate enough throughout my journey so far to have received the support I have, whether that being mentally, physically or a short holiday with friends recently to Centreparks. I feel everyone in these circumstances deserves to be given as much support and happiness through the very difficult times they will come across.

<https://www.bensaundersfoundation.org/>

Firstly, I would like to welcome Bromley Heath and their supporters to BBS Park North. It is nice to be writing this now the weather has turned, and we have some confidence that the game will be going ahead. The ground staff have been brilliant over the winter period at getting our games on and without them we could have had more games to still get on. An extremely big thank you goes out to Mark and his team for the work during the week to keep the pitch in great shape.

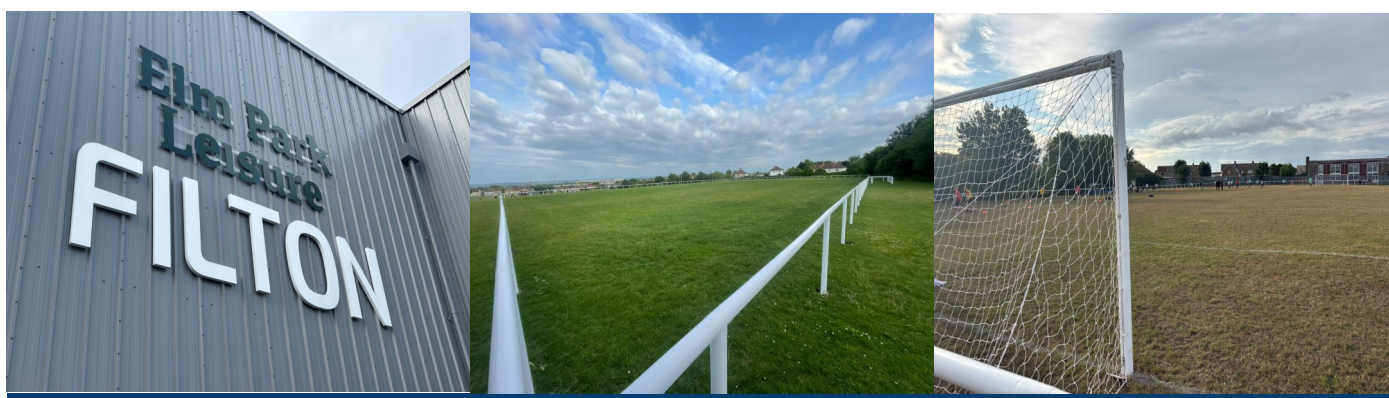

We are now coming towards the end of the season but with so many games to play still we cannot take our foot off the pedal. Our game in midweek against Tytherington Rocks was a tough one but we managed to hold on despite being a man down and closed the gap on the leaders to a point having played a game more.

Bromley Heath have had an ok season in the league so far sitting around mid-table but with lots of games to play they will be hoping to put some points on the board with their games in hand to move them further up the table. It was a difficult game when we went to their place back in November as it has been every time, we have played them and we are expecting the same this weekend.

We will be looking to keep up the pressure on the league leaders and another three points on the weekend could take us above them if results go our way. We move into a period which sees us play twelve times in six weeks and a win this weekend will help with little room for error from either side over the remaining games of the season.

Regardless of the result we will have a beer after the game, and a little bit of friendly banter as well. Hopefully, we will see you in the feast.

Ollie Keeble - Chairman - Filton Athletic FC

From The Dugout

A few words from the manager...

Welcome to the management team, players, and supporters of Bromley Heath. A great football club on and off the pitch. It is good to finally be back at home after three away games in a row.

It has been a tough couple of weeks with away games in Gloucester against Bishops Cleeve and Ruardean followed by another mid week away game against Tytherington Rocks. Winning all three picking up nine points has been very pleasing. The lads have dug in together to grind out results even at times we have not been at our best.

Bromley is always a tough test. They have had a mixed bag of results so far this season, but we know they have some very good players. We managed to secure a 2-1 victory at their place last time and hopefully we can do something similar at home. Eleven wins in a row now and still undefeated at home, we will have to be at our best to pick up another three points.

We are looking forward to the game and having a few pints after.

Bromley Heath United

Club History

Established back in the World Cup winning year of 1966, Bromley Heath United Junior Football Club is the oldest youth football club in the Bristol area. Throughout its 60 year history it has provided football for thousands of children preparing them for the senior game. Some of the more famous ex Bromley Youth players include Louis Carey and Gary Mabbutt.

It wasn't until 2014 that the club decided to introduce a Senior Section to provide a progression for at least some of the youngsters when they finished playing under 16 or under 18 football. Initially there was one senior side playing in the Bristol and District League.

In 2015 Winford PH FC amalgamated with Bromley Heath United FC to triple the size of its senior section and provide the impetus for successive promotions through the divisions of the Bristol and Suburban League. The 2018/19 season saw the 1st team become Champions of the Bristol & Suburban League. A tremendous achievement in such a relatively short period of time. They were promoted to the Gloucestershire County League. However, the first couple of seasons at this higher level were not all plain sailing with players and management having to adjust to a more physical and competitive type of football that required a much higher level of fitness. The disruption caused to football and life in general by the Covid pandemic over this period also made it difficult to maintain any form of progress or consistency. It was not until the 2021-22 season really that the Club started to look at home in the County League, especially in the second half of the season. Team restructuring and creating a blend of young players and experienced players started to pay dividends. This all came to fruition during the 2022-23 season when a very successful County League campaign saw us finishing runners-up in the League not far behind the winners Cribbs and 8 points clear of the third placed team. This was followed up by a 4th place finish the following season and last season we went all the way to the Senior Amateur County Cup Final, only to lose on penalties.

Bromley Heath United Junior and Senior sections now operate as one football club with the same ambitions and hopes for the future. The Junior Section which was the first local club to open a Development Centre as an initial introduction to football for very young children is thriving. They now offer football for every Junior/Youth age group right up to under 18 level. The Senior Section offer a progression into adult football either into the 'A' team or the Reserves playing in the 3rd and Senior divisions of the Bristol & Suburban League respectively. The aim is of course to produce players who will eventually become 1st team players.

Bromley Heath United Football Club is based at Pomphrey Hill Community Sports complex in Mangotsfield where all its teams play. The Pavilion offers fantastic modern facilities and includes a Club Sports Bar showing live football and function rooms.
