BBS Park North, Filton Leisure Centre, Elm Park, Filton, Bristol, BS34 7PS

Marcliff Gloucestershire County Football League

Message from Ben:

The Ben Saunders Foundation (BSF) has been started to raise funds to support Children and Young adults with cancer within the UK.

I (the founder) Ben Saunders was diagnosed with a rare form of cancer sarcoma attached to my heart which I have been fighting since October 2019. It has spread into my lungs and I have faced many challenges along the way. These include two major open heart surgeries, 6 rounds of very intense chemotherapy's which I am now currently back on!

These are just some of the things I have experienced along my cancer journey and I am looking to help and offer whatever I can alongside my family and the foundation to offer support to young people with cancer like myself.

I have been fortunate enough throughout my journey so far to have received the support I have, whether that being mentally, physically or a short holiday with friends recently to Centreparks. I feel everyone in these circumstances deserves to be given as much support and happiness through the very difficult times they will come across.

Firstly, I would like to welcome Sharpness and their supporters to BBS North. It is great to be writing this ahead of one of the biggest games of the season. There is still a long way to go but this top of the table clash could be pivotal in the title race especially as both teams have only lost once all season.

The two teams finished last season in 5th and 6th and level on points with both matches between the teams being tight affairs so we should be in for a difficult match that could go either way.

Sharpness have had a great season so far sitting top of the table for some time, they were up there in the top three for most of last season and started to slip away towards the end so we will of course be hoping that the same happens this year. Sharpness have some tough games during their run in but I am sure that they will believe playing eight of their remaining ten league games at home will put them in a strong position if they can pick up points this weekend.

We will be looking to keep up our impressive home record this weekend, and a win would close the gap to a point with another game between the two sides coming up in a couple of weeks. There are no easy games in this league and with a tough run in maximum points would help us keep the pressure on the leaders and allow us to capitalise on any mistakes.

Regardless of the result we will have a beer after the game, and a little bit of friendly banter as well. Hopefully, we will see you in the feast.

Ollie Keeble - Chairman - Filton Athletic FC

Our Reserve team compete in the Bristol & Suburban Senior Division.

Following some upgrades in the summer of 2025, both sides now play their matches at BBS Park North, Filton Leisure Centre, Elm Park, Filton.

From The Dugout

A few words from the manager...

Welcome to the management team, players, and supporters of Sharpness. Looking forward to a great game between two teams who are in excellent form. It's looking more likely as the season goes on, the top two spots will be occupied by the teams on show today. Surprisingly, both have ten games left in the league and we are already in April, so lots of football still to be played. Whatever the result today, it will be a great day to see how the club has evolved, from being in the Suburban League for many years to challenging at the top of the County League and back playing home games at Filton for the first time. Big steps forward and I'm sure there will be a fair few watching today.

We are coming off a 0-0 draw against a well-disciplined Frampton side. Although we were the better team in the first half, our performance was disappointing in the second half, and a draw was a fair result overall. Taking the emotion out of the game and having six of our starting eleven missing, a draw wasn't a bad result but ended our 12-match winning run.

This is the first game against Sharpness today as we play them in the reverse fixture a few weeks later. Lots to play for and we are excited for the run in.

I hope everyone enjoys the game and having a few beers after.

Sharpness

Club History

Sharpness A.F.C was founded in the 1900-1901 season. Their home ground was The Port which they rented from British Waterways for a pepper-corn rate of one pound per year.

During 3 seasons of the mid 20's Sharpness won the Gloucestershire Northern Senior League. Although no football was played during both wars Sharpness players regularly wrote home to tell of their footballing achievements while they were away on duty.

After the 2nd World War Sharpness were very much to the fore and played at the highest standard in Gloucestershire football. The Sharks were very successful and in the 1962-63 season the 1st XI won the GNSL whilst the 2nd XI won the Stroud League Div 1 without losing a game, a remarkable achievement.

In 1974 a clubhouse was built and from that point Sharpness went from strength to strength. They won the Gloucestershire County League and joined the Hellenic Premier League where they were very successful for a number of years winning the title in 1986. In the 1985-86 season they got to the last 16 in the country playing in the F.A. Amateur Cup.

It was at this point that British Waterways decide they wanted to develop on the land where The Port was situated so the club had to leave in 1988 its home of 88 years. Following World War 1 a Grandstand had been built in memory of those who perished in the war, alas this was bulldozed when The Sharks had to leave The Port.

For three seasons they played on Forest Greens pitch at a price far too high for that time. It became impossible to cover the costs of playing at Forest Green so the club had to revert to playing at a lower level. Reduced to one team now playing in GNSL Div 2 they got promoted in their first season 1991-92.

Sharpness

Club History

Since leaving Forest Green Sharpness have played their games at Berkeley Vale School & now at Hamfields Leisure Centre where we have put a lot of effort into improving the facilities so we could once again ply our trade in the county league.

Sharpness 1st XI have retained their position in GNSL Div 1 since 1992, even winning the league in 2001-2002, 2009-2010 & 2015-2016 for a record 11th time but alas their facilities prevented them getting promoted.

We finally started the development of new changing rooms at Hamfields in May 2018 completing the project in March 2019 just in time for inspection. The 1st XI still had to do the business on the field to secure promotion and did just that by winning the league for a record 12th time in 2018-19 which secured promotion to the Gloucestershire County league.

During our first season in the County League, we gave a good account of ourselves lying in 3rd position in the league and making it to the Semi Final of the Les James Cup before the season was curtailed early.

In our 1st full season in the Glos County League we managed to finish in a creditable 3rd place having recovered from a slow start. We also managed to take two scalps from higher league opposition in the Glos FA Challenge Trophy.

Sharpness are entering their 7th season in the Glos County League and have secured a top half finish in each season. We also made it to the Les James Cup Final in 2022-23 but were beaten on the day by Broadwell.

In 2024-25 the team finished 5th but that doesn't tell the whole story as we spent most of the season in the top 3 beating eventual champions Almondsbury twice. Unfortunately as the games came thick & fast at the end of the year we were unable to maintain the pace and finished 5th overall just 5 points off top spot.
