TEWKESBURY TOWN

Saturday 9th May 2026

Kick-off 3:00pm

BBS Park North, Filton Leisure Centre, Elm Park, Filton, Bristol, BS34 7PS

Marcliff Gloucestershire County Football League

Message from Ben:

The Ben Saunders Foundation (BSF) has been started to raise funds to support Children and Young adults with cancer within the UK.

I (the founder) Ben Saunders was diagnosed with a rare form of cancer sarcoma attached to my heart which I have been fighting since October 2019. It has spread into my lungs and I have faced many challenges along the way. These include two major open heart surgeries, 6 rounds of very intense chemotherapy's which I am now currently back on!

These are just some of the things I have experienced along my cancer journey and I am looking to help and offer whatever I can alongside my family and the foundation to offer support to young people with cancer like myself.

I have been fortunate enough throughout my journey so far to have received the support I have, whether that being mentally, physically or a short holiday with friends recently to Centreparks. I feel everyone in these circumstances deserves to be given as much support and happiness through the very difficult times they will come across.

<https://www.bensaundersfoundation.org/>

Firstly, I would like to welcome Tewkesbury Town and their supporters to BBS North for our final home games of the season. Whenever we are at this point in the season, I always spend time reflecting on how the season has gone, where the club is compared to the start of the season and what could have been done differently to learn for the future.

It has been a successful season for the club, the first team have already sealed second place in the league, and the reserves finished their season in third place on goal difference which is the highest position the sides have achieved in our history. The club is in a good place with both teams back at Elm Park, two strong sides who are competitive and challenging in their respective divisions and a growing youth section. With regards to what could have been done differently this is neither the time nor the place to go into that, but when the dust settles on this season, they will be discussed.

As well as looking at the past the club are always looking forwards, after two good seasons in the county league the club will plan for the next step and what needs to be done to allow the first team to move up and hopefully in a few years have a first team in the western League and a reserve tea in the county league. For this dream to become a reality then we need more volunteers to help on matchdays and assume roles like programme creator or events coordinator. Without these people the ability to grow the club will be impossible so get in contact.

Having played Tewkesbury twice already this season, we know it will be a tough game and both teams whilst not having anything to play for will want to finish the season with another three points.

Before signing off for the season I would like to say thank you to all our fans, players, management and volunteers for their support and the jobs that they have done throughout the year. We cannot function without you all and the club look forward to welcoming you back next season.

Regardless of the result we will have a beer after the game, and a little bit of friendly banter as well. Hopefully, we will see you in the feast.

Ollie Keeble - Chairman - Filton Athletic FC

Our History

Filton Athletic FC are a long standing amateur football club based in the North of Bristol. We started out as St. Andrews Meth back in the 1960's, then changed to Filton Athletic FC in 1986.

We are currently made up of two adult football teams who both play regularly on a Saturday afternoon.

Our first team compete in the Marcliff Gloucestershire County Football League, having been promoted as Champions from the Bristol & Suburban Premier Division in 2023-24.

Our Reserve team compete in the Bristol & Suburban Senior Division.

Following some upgrades in the summer of 2025, both sides now play their matches at BBS Park North, Filton Leisure Centre, Elm Park, Filton.

In 2023 we established the Filton Athletic FC Youth Team, which consists of U7, U8, U9, U10, U11, U12 and YDS.

The club is run by an enthusiastic and committed committee who have the drive and ambition to move the club forward both on and off the field and welcome anyone who wishes to get involved.

The club is also fortunate to be supported by some of the best fans in the world, the self proclaimed Filton Ultras!

From The Dugout

A few words from the manager...

Welcome to the management team, players, and supporters of Tewkesbury. It's been a long and gruelling season. Lots of effort from everyone at the club. A season with lots of positives of how far the club has come on and off the pitch. To achieve a second-place finish in a very competitive league is a credit to the players.

We are getting to the end of the season where we only have 8 or 9 first team players available, it is tough. However, the lads from the reserves have stepped up and put in some very good performances.

It would be great to finish the last home game of the season with three points.

I hope everyone enjoys the game.

Tewkesbury Club History

The 2018/19 season saw us return to Whaddon Road for the Senior Charity Cup, this time emerging victorious.

In 2021/22, we were promoted to the Gloucestershire Northern Senior League for the first time, and in our second season, we lifted the GNSL Div 2 League title, earning promotion to GNSL Division 1.

In the 2023/24 season, we established a Saturday Development (3rd) team in the Cheltenham league, bringing us to a total of four Senior Men's teams and a Veterans team.

2024/25 season was one of the most successful in the club's history. The 1st team were crowned champions of Gloucestershire Northern Senior League 1 and won promotion to the Gloucestershire County League with a play off win. Also lifting the Reg Davis League cup on the way. The Reserve team finished league runners-up and won promotion. The Development team also gained promotion. The Sunday team won the Evesham Sunday league.

2025/26 sees the 1st team compete in the Gloucestershire County League for the first time in our history. With a new throng of U18s coming to seniors, we have started out a 4th Saturday team to develop them into Senior football

Club History

Tewkesbury Town FC has been established in its current form for over 40 years and has competed in many leagues throughout Gloucestershire. The club's roots date back to the early 1900s, and its name is etched in various league's history with numerous titles won.

In 1985, Town reformed and entered a Sunday team into the Evesham league. After experiencing growth and securing numerous League and Cup titles, a Saturday team was created and joined the Cheltenham league in 1995.

Town earned promotions over the years, winning titles along the way. Notably, in the 2005/06 season, we clinched the Division 4 title with an undefeated record and also lifted the Minor Charity Cup.

In 2010, the Veterans Team was formed, and a partnership was established with a youth setup, leading to the creation of Tewkesbury Town Colts FC. The Colts now boast over 400 aspiring footballers aged 5-18, gradually feeding into the Senior teams.

The 2010/11 season saw us secure the Junior Charity Cup.

In the 2012/13 season, the Sunday team made Evesham League history by earning the Team of the Year award and achieving a quadruple, winning the League, both League Cups, and the County Cup. The team celebrated with an open-top bus parade showcasing the trophies.

In 2016/17, we were runners-up at Whaddon Road in the Senior Charity Cup, and in 2017/18, we won the Junior Charity Trophy.

Player Profiles

Isaac Parry:

The only person to give himself a nickname. The Paz Dog is a high quality goal keeper who had the clean sheet record in the league last year. Improved drastically last season, when he had some boots that weren't made in 2010. No doubt he won't read this as he seemingly doesn't have a phone. A well known master of disguise...

Jack Spark:

A huge asset to the club since signing at the start of last season from Roman Glass. With previous experience in the Hellenic League, he can play anywhere across the back line and worryingly, in his own head centre midfield. Winner of the Club's personality of the year, fluent in Australian but worryingly, very scared of stingray's.

Nick Hill:

An ever present last year, unless he was banned. A member of the Big 4 at the back and a leader with how he plays on the pitch. Demands the best out of others and isn't afraid to let them know, usually in a quiet and reserved manner. Never to be allowed near a penalty spot again and for someone of his size, is scared of ghosts.... BOO!! Known for his love of a Carling before games and worryingly has his own water bottle too...

Tony Hosking:

Another member of the Big 4 and only improved as the season progressed. A leader on the pitch and someone who has shown he is only getting better with age. Comfortable in a back 3 or back 4, just not using the right foot or wearing bright pink boots. Has spent the off season teaching his young boy to play pool... we look forward to seeing the results of this when we all have a spare few hours on a Saturday.

Mike Oliver:

Where do we start with MO, joined the club after playing a pivotal role in us winning the Reg Davis when playing for the opposition and gave Sparks a run for his money for personality of the year. According to Mike, unfortunately we didn't see the best of him last season due to a recurring hip flexor injury and a damaged rotary cuff which limited

his front flip throw ins. Hoping that both make a full recovery for this upcoming season, that is if he isn't moonlighting as Cheltenham's version of Del Boy.

Player Profiles

Cameron Anderson:

A quiet and understated individual on the pitch, and the same off it, unless Stu gets hold of him. Equally adept at either full back or wing back, his versatility was key throughout the season and will be looking to kick on again this year. Worryingly, gets burnt more than the gaffer when the sun comes out, but makes up for it with his wonderful selection of vape flavours.

Adam Stanley:

Popped up many times last season with vital goals and his attitude and work rate were never in question. His ability to breath without his inhaler, however was, which limited his game time somewhat. Another character within the squad, the most clearcut winner of the Diva of the year and just as likely to two foot a water bottle than an opposition player. Comfortable anywhere on the pitch as long as the ball is absolutely nowhere near his right foot.

Ryan Banfield:

Another young lad who we hope is going to kick on this year. Made telling contributions off the bench but will be hoping to push for a regular starting spot that his talent deserves. One of the quickest players in the squad and if his footballing brain could get half as quick as his feet, he will be a hell of a player. Manager at the new Levi's store in the outlet, hoping that he sorts the lads out with some new clobber. With our numerous away games down to Bristol this season, will be a good opportunity to pick up the match ball from his penalty in the play off.

Lee Llewelyn:

Appointed club captain when signed last year and sets the standards with how he conducts himself, apart from missing half of last season getting injured playing Sunday football. He has looked like a new signing since returning from pre-season and everyone is looking forward to seeing him back out on the pitch. Very protective of his barnet and eyebrows, but with good reason, average at best when it comes to padel but less said about that the better.

Lorcan Sheehan:

Vice-Captain for the upcoming season, signed last season for his local team on what can only be described as mega money and seemingly only ever got larger with every passing week. A proven leader and certainly a proven winner, his experience and ability to control a game was vital as the business end of last season loomed. One of the funniest blokes on a night out, known for his love of a good film, however, odd that Avatar is his favourite, frequently watches it at weekends to unwind.... apparently

Player Profiles

Alex Roder:

Possibly the hardest profile to write as this will go out to the wider public, so must be filtered somewhat. On the positive side, a return of 23 goals was superb last year, however only 7 assists shows just how selfish he can be. Claims he is a centre midfielder when he rarely tracked back beyond the half way line. Inexplicably won the young player of the year award at the age of 23, as apparently I was not allowed to give him most improved. Protected by the powers that be at the club, he knows this and gets away with murder.

Jamie Goodwin:

His goals and assists last season fired us to the league and cup double, to be fair he probably could have stopped in November and still won it. Can play anywhere across the frontline, as long as it isn't right or left. A nightmare for defenders and no doubt he will be looking to set us up for another successful season. 41 goals in 34 starts and 35 assists to go along with it for good measure means he is free from any sort of ridicule.... Annoyingly

Scott Jordan:

A case of two halves in one season for Scott, a continual run of games brought out the best in him and post Christmas, fully justified his Manager's player award. Will be looking to perform at the level he has set for this upcoming season and to push Jamie for top scorer. Officially the Tenerife 2025 wrestling champion, although Nick has requested a rematch. Challenge has been thrown down, we wait to see the outcome

Scott Nicholls:

The giraffe, a young CB who played a number of times last season and will be looking to push the old guard this year. Cannot take a throw in if his life depended on it, but produced one of the tidiest finishes of last season away at Dursley, which handed us our only loss, so swings and roundabouts. Was apparently top dog on tour..... although this is still to be verified

Luke Sutherland:

Skunky, or one half of the famous Peppa and George double act. The reserve team captain last year who played his part in our promotion last season. Will have a much more important role this season and not only because he provides the manager a vape whenever he asks. His attitude and work rate is something to be admired and that is just him at 9am in Wetherspoons on a Sunday

Our Visitors

Tewkesbury

Player Profiles

Morgan Skidmore:

A new signing for the club last year, joining from Ledbury and instantly made himself a firm favourite with the lads due to his Instagram. Can play anywhere on the left and has looked comfortable during pre-season so far. Absolutely dreading his initiation but a night out with Peppa and George will make him feel more comfortable. Great missus..... so he tells us.

Nathan Galloway:

Another tricky profile to write and to keep it PG. The only lad who has more lives than a cat. His goal return last year shows that the talent is there, whilst he infuriates every single person, he is loved in equal measure. Has the potential to be a match winner on his day, as long as that day isn't a Friday, Saturday or Sunday, because there is every chance he won't be there.

Henry McMahon:

Another young lad who played his part at various times last year. A big strong lad with an ass the size that J-lo would be proud of, although both have similar first touches in all fairness. Has impressed throughout pre-season and will be hoping to force his way into the starting XI when he isn't putting up tents at some campsites around the country.

James Coates:

The manager, he has no badges, certainly no qualifications, just shouts a bit and loves a whiteboard to make it look like he knows what he is saying. Tries to take part in training but often referred to as a session wrecker. Has spent more time in Tewkesbury since joining the club, than the Abbey has been there. Doesn't know much about the opposition, but knows they will be kitted up and ready to go. Hands down the best padel player in the club though

Our Visitors

Tewkesbury

Player Profiles

Stuart Bailey:

The DoF... and the other half of the Peppa and George duo. Often seen driving round Tewkesbury in one of his fancy motors when he isn't being a huge help on a Saturday. By being a huge help, I mean walking around the pitch, chuntering himself and calling us all useless. Absolutely vital between the hours of 12.00 and 17.00, then very likely to be

MIA until Sunday evening, or at the very least incoherent. Another one who thinks he can play padel, horrendous at that, half about at business though.

Marc Lane:

The lunatic that keeps the asylum relatively on the straight and narrow. The Shark, or crisp packet hands as he is affectionately known is not only the chairman of the club, but also the manager and stand in keeper for the reserves who he led to promotion last season, albeit thanks to the writer of these profiles scoring a hat trick in their most important game of the season. His football ability is without a doubt truly horrendous, as anyone who has seen him play on a Monday night can attest to. Currently out injured due to a rogue cone causing a season ending injury..... hopefully. Loves an Excel spreadsheet more than anything
