Marcliff Gloucestershire County Football League

Message from Ben:

The Ben Saunders Foundation (BSF) has been started to raise funds to support Children and Young adults with cancer within the UK.

I (the founder) Ben Saunders was diagnosed with a rare form of cancer sarcoma attached to my heart which I have been fighting since October 2019. It has spread into my lungs and I have faced many challenges along the way. These include two major open heart surgeries, 6 rounds of very intense chemotherapy's which I am now currently back on!

These are just some of the things I have experienced along my cancer journey and I am looking to help and offer whatever I can alongside my family and the foundation to offer support to young people with cancer like myself.

I have been fortunate enough throughout my journey so far to have received the support I have, whether that being mentally, physically or a short holiday with friends recently to Centreparks. I feel everyone in these circumstances deserves to be given as much support and happiness through the very difficult times they will come across.

<https://www.bensaundersfoundation.org/>

It's good to be back home after a tough away trip last week which saw us not pick up points for the first time this season. Our home form has been good so hopefully we can put last week behind us and keep that up this week.

We welcome Hanham to BBS Park North this week. I'm sure Hanham haven't started the season the way they wanted having only picked up five points from the seven games they've played. However two of those points have been on the road so they'll be hoping to pick up some more this week against us. We are unbeaten at home so will work hard to keep that going as we want to make BBS Park North @ Elm Park a fortress that people don't look forward to coming to.

We have some of the best fans in the league and we will be looking for them to help us keep our home record going. We are thankful they are there each week to drive us forward and help keep us going when we have tough games which I am sure this weekend will be.

We look forward to welcoming everyone back to the feast after the game for some beers and food and whilst I can't be there myself I am sure those that are there will be great hosts.

Ollie Keeble - Chairman - Filton Athletic FC

Our first team compete in the Marcliff Gloucestershire County Football League, having been promoted as Champions from the Bristol & Suburban Premier Division in 2023-24.

Our Reserve team compete in the Bristol & Suburban Senior Division.

Following some upgrades in the summer of 2025, both sides now play their matches at BBS Park North, Filton Leisure Centre, Elm Park, Filton.

In 2023 we established the Filton Athletic FC Youth Team, which consists of U7, U8, U9, U10, U11, U12 and YDS.

From The Dugout

A few words from the manager...

Filton Athletic vs Quedgeley Wanderers (04th October 2025)

Firstly, welcome to the management, players, and supporters of Hanham. It is good to be back home. Still yet to concede a goal at home this season and hopefully it continues today.

Tough one to take on Saturday against a very good Quedgeley team. Not ideal to play a team in red hot form with a depleted squad but taking nothing away from Quedgeley, I thought they were excellent and deserved the three points. Only seven games in, it is a good marker to see where we need to be. We look forward to welcoming them back to Filton later in the season.

Hanham have had a mixed bag of results. They have some good individual quality players. There is no easy game in this league as you can see from the results so far. We will have to be at our best to get three points and get back on track.

Hanham Athletic F.C.

Club History

Hanham Athletic FC is one of the oldest clubs in the Bristol Area. The Gloucestershire Football Association recognizes the club as being founded in 1896, but the Club's establishment is believed to have been much earlier. During the 19th Century Hanham was a small mining village boarding the South East of Bristol and in the club's early days the players lived locally, many of them coming to play straight from a shift in the pits. A tradition and history which is still recognized today is the club's nickname "The Miners".

We are a committee led Community Amateur Sports Club that manages men's football teams across a number of leagues, leases and maintains the sports pavilion and grounds of Hanham Athletic FC – titled The Hallett Construction Pavilion (see advert in programme for further details). Over the years we have offered the opportunity for regular football to thousands of boys and men, with c.100 signing on to our books each year. We were founder members of the Gloucester County League in the late 1960s and have previously been very successful playing county league football for many years with a proud history of honors and promotions. We run our First, Reserves, A Teams and Under 18's (new for the 2024/2025 season) and operate a talented Sunday Team. We have, in the past, won awards for our ground work and programmes.

We, many years ago played in the FA Cup, almost getting to Wembley, as well as the FA Vase during the 1970s. In 1980 the club started its own Charity Shield Competition running tournaments with teams participating and we continue to run tournaments and charity events every year. We are a family friendly club, with a strong social following, a determination to support people, and a huge passion for football.

During the 2022/2023 season our 1st Team under the management team of Tom Morgan (Skinney) and Jason Side (Sider) won the Bristol & District Premier Division, the League Cup Final Winners (April 2023) and Les James Cup (2023). Winning the league saw HAFC promoted back into the Marcliff County League. Under the same management team with Craig Sperring (ex-player) joining Skinney and Sider, we finished 7th in the league and competed in two cup finals Unfortunately, we were runners up on both occasions.

Dan is still an avid supporter of the Club and no doubt you will still see him around the facilities. Thank you Dan for your hard work and dedication over the last couple of years.
