Marcliff Gloucestershire County Football League

Message from Ben:

The Ben Saunders Foundation (BSF) has been started to raise funds to support Children and Young adults with cancer within the UK.

I (the founder) Ben Saunders was diagnosed with a rare form of cancer sarcoma attached to my heart which I have been fighting since October 2019. It has spread into my lungs and I have faced many challenges along the way. These include two major open heart surgeries, 6 rounds of very intense chemotherapy's which I am now currently back on!

These are just some of the things I have experienced along my cancer journey and I am looking to help and offer whatever I can alongside my family and the foundation to offer support to young people with cancer like myself.

I have been fortunate enough throughout my journey so far to have received the support I have, whether that being mentally, physically or a short holiday with friends recently to Centreparks. I feel everyone in these circumstances deserves to be given as much support and happiness through the very difficult times they will come across.

<https://www.bensaundersfoundation.org/>

Firstly I would like to welcome Totterdown and their supporters to BBS Park North this weekend. We look forward to a great game and a some food and beers afterwards at the Feast.

We picked up another three points last weekend with a great performance against Bishops Cleeve to keep our unbeaten home run going. Well done to the away team for coming back after and were a pleasure to host.

We managed to do the double against Totterdown last season but both wins were hard fought and we are expecting another tough game on the weekend. Totterdown have had a mixed run this season and currently sit fourteenth in the league with 8 points. With only one win in their last four games they'll be hoping to pick up three points to move them up the league.

Another three points on the board this weekend will help us maintain third place with the two teams behind us only three points back with games in hand. If results go our way we could move up to second and close the gap on the league leaders

Regardless we'll have a great time at the feast as Totterdown are a great bunch of lads and always up for a bit of banter whatever the result.

I can't sign off without mentioning our cup game next weekend against DRG, I am sure the banter will continue in the week but I am sure they are looking forward to the game as much as we are and will be up for a few beers at the Feast after the game.

Ollie Keeble - Chairman - Filton Athletic FC

Our History

Filton Athletic FC are a long standing amateur football club based in the North of Bristol. We started out as St. Andrews Meth back in the 1960's, then changed to Filton Athletic FC in 1986.

We are currently made up of two adult football teams who both play regularly on a Saturday afternoon.

Our first team compete in the Marcliff Gloucestershire County Football League, having been promoted as Champions from the Bristol & Suburban Premier Division in 2023-24.

Our Reserve team compete in the Bristol & Suburban Senior Division.

Following some upgrades in the summer of 2025, both sides now play their matches at BBS Park North, Filton Leisure Centre, Elm Park, Filton.

In 2023 we established the Filton Athletic FC Youth Team, which consists of U7, U8, U9, U10, U11, U12 and YDS.

The club is run by an enthusiastic and committed committee who have the drive and ambition to move the club forward both on and off the field and welcome anyone who wishes to get involved.

The club is also fortunate to be supported by some of the best fans in the world, the self proclaimed Filton Ultras!

From The Dugout

A few words from the manager...

Firstly, welcome to the management, players and supporters of Totterdown. We always look forward to our games against Totterdown, a great club with a good bunch of blokes who follow the same traditions as Filton. I'm sure like last year, we will have a good time with them in the bar after the game.

Arguably the performance of the season on Saturday against Bishops Cleeve. Taking into account the number of first team players we had out, we put in a brilliant performance and deserved the 3 points. The lads who stepped up from the reserves were great, in particular Ryan Nixon at centre back who received MOM. A special mention to our fourth goal scorer Taylor Anderson who has been out for over 2 seasons who stepped in and scored an excellent goal. We have good team spirit and togetherness and that showed last weekend. The intensity from minute 1 was great and I'm hoping for something similar today.

The Totterdown game is always tough. They have some brilliant players who have played levels above in years gone by. The league is really competitive this season, it's closely bunched from the bottom to mid table. We have players returning which will help us as we are expecting a tough afternoon against a well drilled side. Looking forward to the challenge ahead.

Hoping our fantastic home form continues.

TOM BRADLEY - GK

Tower joined us last season after two extremely successful seasons with Avonmouth, bringing experience at both Gloucester County League and Weston League levels. A huge presence on and off the pitch, match winner but a pathetic drinker.

JACK WILLMOR (VICE-CAPTAIN) - DEF/MID

Cafu of the County league. Defending 1 on 1, can't remember any winger going past him. Loves an overlap but wingers tend to look the other way because of his crossing. Close to GOTS last year with a wordie volley.

TOM FRY - DEFENDER

Should be playing 2 leagues higher but unfortunately for his sins he works in the public sector. Played for Mangotsfield with the gaffer many years ago, outstanding attitude, can do pretty much anything on the football pitch. Class act.

TOTTERDOWN UNITED

Club History

The club was established in 1964 by a group of school friends and began life playing at the old Whitchurch Aerodrome in the Church of England League. Among them was Jeff Bryant—affectionately known as “Fred”—who dedicated his life to the club. Fred played a vital role in keeping the club alive during its formative years, serving as Club Secretary and sitting on the league management committee for many years, helping to shape the local football scene.

A significant milestone came in 1974 when the club moved to Victoria Park in Bedminster and joined the Bristol and District League. This move also saw the creation of a reserve team, which initially played in the Bristol and Avon League before eventually joining the Bristol and District League, where they now compete in the Senior Division.

Over the years, the club relocated several times—first to Netham playing fields in Barton Hill, then to the Bristol Imperial Ground (now known as South Bristol Sports Centre), where they remained for many years. In 2016, the club moved once more, playing home games at Brislington Cricket Club for a couple of seasons before settling at their current ground at Bristol Barbarians Rugby Club.

Steve Thomas, known to many as “Tom,” serves as Chairman. A former Centre Forward, he played for the club from the age of 17 until retiring at 42 due to persistent knee issues.

The club entered a new era of success under Manager Jack Thorley, who joined in 2021. His tenure marked the most successful period in the club's history, including winning the GFA Senior Amateur Cup in his debut season and clinching the Bristol Premier Combination League title in 2023-24. Following a successful first season in the Gloucestershire County League, Jack decided to step down from his role. In his place, assistant manager Josh Hemmings has stepped up to lead the team forward for the coming season.

Player Profiles

Ashley Martin:

Mad Dog has been with the club for over a decade! He's one of the best shot stoppers at this level and has won the Totts games with his agility and reactions in big moments. Also has a great record at saving penalties and is very good with his feet. Definitely has anger issues though!

Toby Carter:

Another player who has been with the club for over a decade. Tozzer is a strong, composed footballer that has been used all over the pitch. This season should see him stick to centre back where his attributes will be best used. Recently been hitting the gym, centre forwards beware!!

Jack Thorley:

JT was previously manager of the Totts, in what has been our most successful period at the club! As a footballer, you can see why he did so well in management! Great understanding of the game, reads situations very well and has great all round technique. Can play almost anywhere on the pitch, even thinks he's a dab hand between the sticks! (He's not)

Alex Silvester:

This year's newly crowned captain! Alex is a monster that Marshall's the defence brilliantly, more than capable of playing at a higher level! He's a calming presence that's great on the ball with a wide range of passing. Has an aggressive side that see's him come out on top in dials. Warrior!!

Frank Tobin:

Frank is an exceptional athlete and brilliant footballer. Scored our goal of the season last year from in his own half!! Midfield or defence, he gets around the pitch with ease and is a real asset to the team. Expecting a big season from him!

Chaz Hemmings:

Been our best player ever since he came to the Totts. Huge in stature with the technical ability of a diminutive Spanish midfielder! Scores big goals and plenty of them, has a lot more to his game and a positional change this year will showcase more of his talents.

Jack Millard:

Millardinho is an excellent full back/wing back. Chips in with goals, defends 1v1's and eats up ground on that right hand side. Technically brilliant, never seems to make a mistake in his game. Another one we believe will have a huge season in a slightly different role!

Player Profiles

Billy Wiltshire:

First season at the Totts for Billy, he's a super fit flying full back/wing back. He has a great left foot and has already shown how dangerous his crossing can be! Bright future for this lad who we're excited to see develop.

Frazer Clarke:

Frazer is another all action full back/wing back, at his peak he's super fit and a nightmare to play against. Has shown in preseason that he has a great understanding of his new role. Looks to be a real threat and set for a great season!

Jack Moon:

Mooney is another one of the "old guard" who has great experience and attitude. Super talented footballer that is positive in everything he does, great feet, strong and aggressive! Scored plenty of goals over the years through his knack of finding space in the box!

Isaac Sullyman:

Isaac is the life of the dressing room, 100MPH all day everyday! Brilliant footballer that sets our teams tempo, at his best when he drives forward with powerful runs. Watch out for his "Whoop"!

Ollie Lovell:

Super talent that loves a sun bed! Ollie has been with us since he was 16, he's going to go on and have a great career at a much higher level! He's really sharp and powerful for an 18 year old, and doesn't lack confidence either. Playing a role that really suits his game should see plenty more goals and assists this season!

Kieron Bull:

Kieron is one of our younger players who had a strong finish to last season. Has immaculate technique that sees him move the ball around the midfield with ease. Looks to have bulked up in preseason and is getting around the pitch well. Break out season for Bull loading...

George Saunders:

George has been at the club on and off for nearly a decade. He's been one of our best players during that time and was unbelievable in the second half of last season. Has electric pace, great dribbling and the heart of a lion! New role for him this year which should see him continue to terrorise defenders.

Player Profiles

Aaron Thorne:

Aarz probably has the best left foot the club has seen! Brilliant footballer who's won the clubs golden boot countless times. Has shown he can adapt and play new roles simply because he's that good!

Jamie Godfrey:

Jamie is our new vice captain, he's a fantastic footballer with great vision. Capable of the spectacular be it through goals or pin point passes, he's always a threat whilst on the pitch. Strong as an ox and not afraid to use it!

Jack Hearsey:

Another young player that has come through our reserves. Jack has great ability, his feet are magic on his day and we've seen him make plenty of defenders look silly. His confidence is growing and he's another one we're hopeful for big things from.

Jamie Marr:

Young goalkeeper with his first season at the club! Impressed so much that he shared game time with Mad Dog in pre season. Calm with his feet and agile in the box! No doubt a future Totts number one who we're delighted to have on board.

Tom Morgan:

Energetic Midfielder who leaves no blade of grass uncovered. Positive in his passing and snappy in the tackle, great character who does well with the ladies! Should probably take it easier on a Friday night though...

Caius Gillies:

Caius is the son of Totts legend Mike Gillies, so he has great genes! Caius is 16 years old and we have high hopes for his future. Lighting fast, fearless and has an absolute rocket for a shot! We're looking forward to working with him and helping develop him into what we feel will be a superstar.
