BBS Park North, Filton Leisure Centre, Elm Park, Filton, Bristol, BS34 7PS

Marcliff Gloucestershire County Football League

Message from Ben:

The Ben Saunders Foundation (BSF) has been started to raise funds to support Children and Young adults with cancer within the UK.

I (the founder) Ben Saunders was diagnosed with a rare form of cancer sarcoma attached to my heart which I have been fighting since October 2019. It has spread into my lungs and I have faced many challenges along the way. These include two major open heart surgeries, 6 rounds of very intense chemotherapy's which I am now currently back on!

These are just some of the things I have experienced along my cancer journey and I am looking to help and offer whatever I can alongside my family and the foundation to offer support to young people with cancer like myself.

I have been fortunate enough throughout my journey so far to have received the support I have, whether that being mentally, physically or a short holiday with friends recently to Centreparks. I feel everyone in these circumstances deserves to be given as much support and happiness through the very difficult times they will come across.

<https://www.bensaundersfoundation.org/>

Firstly I would like to welcome SGS United and their supporters to BBS Park North this weekend. We look forward to a great game and some food and beers afterwards at the Feast.

I can't think of a better way to end the year than with a local derby. These games are always tough affairs and I don't expect anything different from this weekend's game. The fact that the two teams are separated by four points makes it even more interesting as a win puts us seven points ahead of the college with a game in hand.

The college have picked up three wins out of their last five league games but come into this game after a heavy defeat to Bishops Cleeve so will be hoping to get back to winning ways this week.

We are currently unbeaten in our last five league games and will be hoping to continue that record at BBS Park North this weekend. A win will keep us within touching distance of the top spots and with games in hand of second place.

Regardless of the result we'll have a great time at the feast after the game and I am sure there will be a bit of banter after the game whatever the result.

I can't sign off without wishing everyone a Happy Christmas and New Year from all at the club. This is our last game over the festive period so enjoy the food and drink and we will see you all at BBS Park North in 2026.

Ollie Keeble - Chairman - Filton Athletic FC

From The Dugout

A few words from the manager...

Welcome to the management team, players and supporters of Stoke Gifford SGS. Local derby always brings a good crowd with it especially being the last game before Christmas. It's always great to see some familiar faces from the Gifford side and I'm sure we will have a drink with them after the game.

It's our first home game in the league for over a month where we defeated Totterdown 7-0. During that time, we have beat DRG and Hallen Reserves at home in the Cup. Our home form has been excellent so far this campaign, apart from the first game of the season where we drew 0-0, we have won every game since. Unfortunately, we still have a number of first team players out injured or on holiday, but the way we come together as a group during this difficult period has been great to see.

Stoke Gifford will be a difficult test. We beat them 2-0 at home last year and drew 1-1 away (against a number of ringers) so they will want revenge. Gifford were arguably the title favourites given the player pull from the college and the resources they have available, but the first half of the season has been hit and miss for them. That being said, they have some great young players in their squad and like last season will be wanting to go on a winning run to challenge at the top come the end of the season.

We are looking forward to a local fiery derby and hoping our fantastic home form continues.

SGS Stoke Gifford FC

Club History

Stoke Gifford Football Club was founded back in 1947 by Mr J. Scott. In our first few seasons, between 1947-51, we played on the Downs in Clifton. At the beginning of the 1951 season our club stalwart Jim Sparrow joined the club as a wanting to play for his local team. Also in 1951 we moved to our current home at North Road, Stoke Gifford after having the old orchard levelled off to create our pitch. The old barn where cider used to be made was converted into our changing rooms. This is also where the club adopted the Barn Owl as our club symbol. This has been our club home ever since, although from the 2018/19 season the first team relocated to Stoke Gifford Stadium at SGS College, leaving our reserve and 'A' team to fulfill alternate Saturdays in the 'Village'.

Following the move to Stoke Gifford, the club colours were red shirts and white sleeves until 1964 when the club adopted our now well know blue and white trim. The club has used navy from time to time but we predominantly wear royal blue each season.

In 1982/83 season, Jim Sparrow took up the position as chairman with the aim to bring some much needed success to the club. This is a position Jim held within the club until 2020-21 when it was time for Jim to pass the position on and take up the roll of club president. Jim is a true hero to the club and without his passion and drive over the many years in the role, the club would not be in the position we are in today.

In the 1988/89 we won the Bristol Suburban League Premier 1 title for the first time in our history. The team, managed by club legend John Black, were fired to the title by his younger brother and now club chairman, Martin Black, who finished top goal scorer allowing us to pip Totterdown United to the title.

Our home changing room and bar were located in the trust owned 'Poplar Rooms' until plans were drawn up in 2004 to build a new sports facility adjacent the pitch. The new clubhouse opened in the 2007/8 season and was constructed off the back of a number of former players most notably Rob Thorne and Ian Sweeten.

We won the title again in the 2014/15 season. This time managed by Martin Black and assisted by current gaffer Dan Dunt. The pair assembled a strong squad with the aim of winning the title. The season began well and Gifford were in a very strong position come March time. However, this is when disaster and heartbreak struck. Club talisman and top scorer, Ben Hiscox, suffered a fatal accident while playing after a collision with the club house wall.

Club History Cont..

The club was broken at the time but the boys managed to rally together and finally got over the line in a tense final day away to AFC Mangotsfield. Needing a point to secure the title, the village went ahead when Geraint Williams converted from the spot, but an equaliser in the second half resulted in the most nervous of finishes. Emotional scenes followed the final whistle with Ben's dad, Clive the focal point of celebrations.

In 2018 the club began a dialogue with local college SGS, to build a relationship to give young players from the area a clear pathway into adults' football. This has been hugely successful to date, with the first team gaining back to back promotions after being crowned champions in both Bristol Suburban Premier 1&2 divisions. We have also helped develop some hugely exciting talent that have moved on to play a higher level of football.

The club currently have three team representing 'The Village', with the Reserves and A team competing in the Bristol Suburban League – Senior and Division 4 respectively.

Marcus Thatcher - First Team Manager – Thatch has been at the club for ten years now. He has played a massive role in player recruitment and coaching over the past few years while playing through numerous injuries.

Dan Worton – First Team Assistant – Worton will be joining the management team this season. Sadly now has stopped playing due to injury. Worton will be good in the changing rooms and hopefully will stay out of the referees book now he's not playing.

Daryll Barnes – First Team Coach – Daryll is a massive part of the management team and takes care of all the unseen work that needs to be done. A great bloke who will whatever is necessary to support the club. Looks like Wayne Lineker.

Evan Healen (GK) – Second season at the club, big Welsh daft keeper. Played a massive part in our defensive record last season.

Tauren Williams (Defender) – Solid, experienced centre back who has experience playing with Almondsbury, Hallen etc in the leagues above. Has been transformed into a centre back recently and has become a real leader for the group. His know how and game management is a big asset to us. Skipper

Harrison Murchdoch-McCormack (Defender) – Harrisons 2nd season with the club, is defender. He is a tenacious defender who also has great eye for a pass. Has recently taken on fines master duties which will be interesting.

Lawrence Mitchell (Defender) – 'Legs' is in his third season at the club, a really good lad who always has a smile on his face. Has decided to be nastier this campaign and get at least on header on target.

Jared Ball (Defender) – Jared is a useful addition to the squad this season. He has a big heart and a great attitude. He will be an important player this campaign.

Sam Garrod (Centre Mid) – Sam he is a very talented, young midfield player. Has a lovely passing range but also enjoys the nasty side of the game.

Kyle Ford (Centre Mid) - Fordy has joined us this season, has loads of experience from playing higher. Has just come back from a few years out of the game due to injury. Glad have him back playing on the pitch.

Joe Taylor (Centre Mid) – Joe 2nd season at the club has bags of ability and is a very confident lad. Gets on far too well with Thatch! Expecting big things this year.
